

Free Form Relief Tile Sketches

- Sketch 2 possible designs for your free form tile below.
(one on the front and one on the back)
- Choose from Architecture or Nature for your subject.
- The image has to fill in the frame of the tile.
- No negative space.
- Your tile cannot be a square.
- No larger than 6"x6"

- Must have a minimum of 2 levels.
- Shade the areas you will subtract.
- Label the levels.
- You will trace from this paper directly onto the clay slab.
- Meet with Mrs. Zotos or Ms. Hofacre
