

Free Form Relief Tile Sketches

Sketch 3 possible designs for your free form tile below.

- Choose from Architecture or Nature for your subject.
- The image has to fill in the frame of the tile.
- The image must touch all sides of the tile.
- No negative space.
- Image is a close up of your object.
- Your tile cannot be a square. - No larger than 6"x6"
- Must have a minimum of 2 levels.

Which parts will you subtract? Which parts will come forwards?

-What type of textures will you add?
